## ADVERBS IN ACTION!

Adverbs work ALONE in a sentence and answer these questions: *When? Where? How? How much?*

(And hey, ADVERBS don't always end with "-ly"!)

(And hey again, words like "not" and "never" are always ADVERBS.)

### WHEN...

I'll go tomorrow.

\* "tomorrow" tells when

### WHERE...

I sleep upstairs.

\* "upstairs" tells where

### HOW...

I study diligently.

\* "diligently" tells how

### HOW MUCH... TO WHAT EXTENT...

I worry constantly.

\* "constantly" tells how much
