

## CONJUGATING VERBS in the PRESENT TENSE

Keep this! Forever!

\*\*In order to access the correct form of the VERB necessary for any given sentence, first you need to reduce the SUBJECT of that sentence down to a **single** PRONOUN.

Here are the German pronouns:

<i>ich</i> = I	<i>wir</i> = we
<i>du</i> = you (s.)	<i>ihr</i> = you guys (pl.)
<i>er</i> = he, it (m.)	<i>sie</i> = they
<i>sie</i> = she, it (f.)	<i>Sie</i> = You (formal)
<i>es</i> = it (n.)	

## STRONG VERBS—PRESENT TENSE

\*\*You MUST memorize the basic patterns for verb conjugation.

You can assume a verb is WEAK **unless** a strong conjugation is given along with the infinitive in the dictionary.

When you're shown that a VERB is **strong**, you need to know that the **only** PRONOUNS affected by this fact are the 2<sup>nd</sup> and 3<sup>rd</sup> person singular PRONOUNS.

BASIC PATTERNS using strong verb **geben** (*gibt*) = to give.

1 <sup>st</sup> person singular <i>ich gebe</i> STEM + e	1 <sup>st</sup> person plural <i>wir geben</i> infinitive!
2 <sup>nd</sup> person singular <i>du gibst</i> CHANGED STEM + st	2 <sup>nd</sup> person plural <i>ihr gebt</i> STEM + t
3 <sup>rd</sup> person singular <i>er gibt</i> <i>sie gibt</i> CHANGED STEM + t <i>es gibt</i>	3 <sup>rd</sup> person plural <i>sie geben</i> infinitive! 2 <sup>nd</sup> person Formal <i>Sie geben</i> infinitive!

## MODAL and MODAL-LIKE VERBS—PRESENT TENSE

\*\*These types of VERBS have a slightly different pattern—but it's a pattern all the same, thank goodness!

\*\*1<sup>st</sup>, 2<sup>nd</sup>, & 3<sup>rd</sup> person singular have a changed STEM.

No ending goes on the 1<sup>st</sup> or 3<sup>rd</sup>, but 2<sup>nd</sup> still takes its *st*.

BASIC PATTERNS of MODAL and MODAL-LIKE verbs: *können* (*kann*) = to be able to

1 <sup>st</sup> person singular <i>ich kann</i> CHANGED STEM	1 <sup>st</sup> person plural <i>wir können</i> infinitive!
2 <sup>nd</sup> person singular <i>du kannst</i> CHANGED STEM + st	2 <sup>nd</sup> person plural <i>ihr könnt</i> STEM + t
3 <sup>rd</sup> person singular <i>er kann</i> <i>sie kann</i> CHANGED STEM <i>es kann</i>	3 <sup>rd</sup> person plural <i>sie können</i> infinitive! 2 <sup>nd</sup> person Formal <i>Sie können</i> infinitive!
