

A Parent's Guide to Your Student's Class with Mrs. Nutter

Dear parent/guardian: Welcome to Intro to Lit / English 9 with Mrs. Nutter! I look forward to working with you as we both facilitate your student's educational experience. This is a road map for you so that you can effectively monitor your student's progress and so that you can be aware of the support system that is already in place for you and your child.

Please read, sign, and send the receipt back to school with your student.

1. Monitor the Grade:

I will have grades updated by each **Wednesday**. You can check the grade through the school's PARENT PORTAL site. Contact the counseling department to set up your account. Students will receive an itemized print out of their grade at least twice a month. On the print out will be comments for improving the grade. These comments can be seen by you on parent portal as well.
